Appeal

Village Kanodar is small village having population of about 12000 people, situated near Palanpur Banaskantha District which is considered as a very backward area. Almost 80% people out of total population of this village is of Shiya Muslim community.

Ja`fary Education Society has come in to existence since 1985. Initially it was unregistered society. It was started to impart education in English medium to the students of our deprived Muslim Community of this village and surrounding areas. This society felt the need of intensive education in English medium in order to build up students of our community for better future in this era of the cut throat competition. This was thought necessary for the reason that our community people could not send their children in bigger cities for such type of education due to scarce financial means, keeping in view the above facts, the society has got registered under trust act in 1991. Registration number is F/137/Banaskantha.

This institution is its first phase started typing classes in English language. Thereafter it started L.K.G and U.K.G. in English Medium in the year 1994. Higher standards for imparting education in English in English Medium were started thereafter in phased manner. And by the grace of Almighty and allot support from our brethren in faith, this society has reached steadily up to standard XIIth in general stream in today`s date.

This achievement is not enough keeping in the view the competitive era of Global Economy. We have yet long way to go viz. starting of science wing in higher secondary classes. Technical collages for imparting education in computer science and information technology. We also felt need of residential campus for students for provide better educational atmosphere to the students. This society also intends of to have its own gymnasium and stadium for physical fitness of students. As till date we have no such facility in our campus/area. How can society forget the need of establishment of a good library of English books for the students and people of this village, to cater their need of general knowledge. In the present era of computer age, society intends to establish technical engineering collage for imparting higher education in computer and information technology.

JA`FARY EDUCATION SOCIETY

Society has its scarce/insufficient sources for starting above facilities and for achieving above goals. Therefore it requires help from our brethren in faith for fulfilling above object in its real spirit.

In backdrop of what is started above the, society humbly urge all of you to provide your generous, financial and moral support by giving donations, Sehm-e Iman A.S., Karje- Hasna etc. the Society has got exemption certificate U/S 80 G of Income Tax Act, 1961, vide No. DIT (E) / 80G (5) 1131/2008-2009 Dated : 19-08-2009 which is valid up to 31-03-2012 Moreover, in view of the viable project for the nobel cause for upliftment of the society, Govt. Of India has kindly consented to obtain donations from the well wishers residing abroad. Their approval number under Foreign Contribution Regulation Act (FC(R)A) is 041950025 Dated:- 20-04-2007. You, may, therefore send inward remittance directly in our **SB A/C No. 10265328526** maintained at State Bank Of India, SIDHPUR Branch (**Code No. 0486**) Dist. Patan (North Gujarat) INDIA

The society has purchased a piece of land admeasuring one lac sq.ft. (approx.) in the vicinity of present building for the above purpose and to start the construction of new building for its science project earliest.

Detail informative brochure giving all the information about institution along with copy of Izaza is enclosed herewith for your kind information .

With hope and trust to hear positively from your kind self.

JA'FARI EDUCATION SOCIETY

In the name of God.

His holiness grand Ayatullah Sayyed Ali Al-Hussaini Al-Sistani

Salamun Alaikum.

After greeting and salams, we wish you to be in the best of health. May God protect you from all kind of disaster and calamities.

We would like to bring to your kind notice there is a region in the novince of Gujrat called Kanodar which has a Shilte population of approximately 10000. The village was in a backward state in terms of literacy. But all thanks to Allah, in the year 1994 an English school by the name Jafary English was established and presently there are 705 students inclusive of boys and girls, studying in this school. Besides modern science, Quran, Akaid(faith) and Ahkam(Islamic Laws) is also thought in the aforesaid school.

Therefor the trustees of the school have purchased a plot of land for two million Rupees. The aim of purchasing this land was to construct a science college. The cost of construction of the building is around 60 million indian rupees and this amount beyond the means and capacities of the shiites of this region. The booklet containing the project and the photographs of the purchased plot of land has been send to you.

We humble request you to grant us permission for incurring the cost of expenses for the construction of the college from the Sahm-e-Iman.

Besides we have not received permission to use the Sahm-e-Imam from any other MarjaTaqleed.

Lastly we ask for your blessing and to remember us in your prayesrs.

Wassalamu Alaikum WaRahmatullah wabarakatuh

Momineen are permitted to spend half of the Sahm-e Mubarakal imam(a.s.) for the required and necessary expenses provided that the other half of the Sahm-e-Mubarak Imam be paid to the representative of Grand Ayatullah Sistani and to receive the receipt having signature and seal of the Moazzamullah and to deliver it to the custodian of the fund.
